

Site Accessibility

Izzy's Art & Soul is committed to providing a website that is accessible to the widest possible audience, regardless of circumstance and ability. We aim to adhere as closely as possible to the Web Content Accessibility Guidelines (WCAG 2.0, Level AA), published by the World Wide Web Consortium (W3C). These guidelines explain how to make Web content more accessible for people with disabilities. Conformance with these guidelines will help make the web more user friendly to everyone.

Whilst Izzy's Art & Soul strives to adhere to the guidelines and standards for accessibility, it is not always possible to do so in all areas of the website. Be aware that due to the dynamic nature of the website, minor issues may occasionally occur as it is updated regularly. We have an active commitment to increasing our site's website accessibility.

If you have any comments and or suggestions relating to improving the accessibility of our site, please don't hesitate to contact us using our online form available on our [Contacts & Purchasing page](#). (Select "Website Feedback" in the Subject line.) Your feedback will help us make improvements.
